DuPont Sustainable Solutions
TRAINING SOLUTIONS

Scalable applications with versatile implementation options

Manage users, curriculums and components as your learning needs evolve.

- Suite includes the Learning Management System (LMS), Interactive Courseware, Authoring Tool, Technical Reference System and Contractor Tracking System
- Standardizes training with measurable results
- Available on demand

LEARNING MANAGEMENT SYSTEM

Deliver, Manage and Track Learning

- Role-based access
- Multi-language interface
- Powerful reporting
- Self registration and scheduling of online and classroom training
- Third-party course hosting
- Local support for global enterprises

The latest generation of the Coastal Learning Management System, which won the Bronze Brandon Hall Excellence in Learning Technology Award for Best Advance in Learning Management Technology for Global Training

AUTHORING TOOL

Create Your Own Custom Online Courses

- Use a wide variety of storyboard templates
- Include self-checks and post-tests to assess employee competency
- Intuitive interface for rapid development

The latest generation of the Custom Course Creator (C3), which won the Bronze Brandon Hall Excellence in Learning Technology Award for Best Advance in Technology for Rich-Media Authoring

INTERACTIVE COURSEWARE

Engage Employees with Compelling Content

- Interactive, rich-media delivery
- More than 1400 courses in safety, industrial skills, and ethics and compliance
- Courses available in 20 languages
- Branding options to increase relevance
- User-enabled course modifications — add video, graphics, and training points to make content site specific

CONTRACTOR TRACKING SYSTEM

Track Your Specific Work Requirements

- Online training
- Classroom training
- Individual certifications
- Other criteria as defined by your organization

TECHNICAL REFERENCE SYSTEM

Share Critical Information

- Collaborative wiki environment for sharing knowledge and ever-changing documentation
- Customization capabilities
- Site-specific security
- Embedded version control
- Full text search capabilities
- Drag and drop design capabilities

Professional services

Ensure a successful elearning deployment with hands-on training, implementation support and technical assistance that meet the unique needs of your organization.

- Implementation support including customization and integration with internal and third-party systems
- Custom content creation available
- Can be conducted on site, via phone and online – within the environment that best suits your needs
- Marketing support to drive enrollment in your elearning initiative

Experience & reliability

As a Fortune 100 company, we bring our customers stability, resources and innovation leading to sustainable solutions and long-term relationships.

- More than 25 years of workplace training innovation
- Backed by DuPont's 200 years of real-world experience – currently operating 210 sites in 90 countries
- Recognized as one of the world's safest and most ethical* companies
- Courseware incorporates sound instructional design to facilitate the transfer of knowledge
- Content is reviewed by subject matter experts to help ensure compliance with health, safety, environmental, ethical and operational standards
- Self-certified compliance with the United States/European Union Safe Harbor Program

*Covalence Ethical Ranking Report 2009

Bring learning to life with engaging content from DuPont.
